

There will be a workshop/meeting to discuss responses to the Questions for Conference 2020,

This will be an opportunity for AA members to respond to this years questions and also for GSR's to bring the considered conscience of their Home Groups.

I will be recording these responses and passing them on to the relevant committees for inclusion at the 55th General Service Conference in York on 17th-19th April.

The workshop/meeting will take place at:

The Poole Day Centre.
